Get To Know Your Money Peeps!

You might have noticed a new face at Colorado Street. We are pleased to welcome Jennifer! She joined the credit union family recently and brings loads of mortgage lending experience. Her favorite foods are tacos, gummy bears, cheetos, and more! And just for fun, here's a little Q & A.

What's one thing you cannot live without?

My morning coffee.

Best place you've traveled to and why?

Dominican Republic because it was hot and I hate being cold, plus I love the beach.

Which one would you want most? Super powers, Robot Housekeepers, or Flying Cars? *Super Powers*

Two truths and a lie? *I've moved 16 times and lived in 4 states. I touched Andre The Giant's shoulder at a wrestling match when I was 10. I recently rode an elevator with Pat Smear and Nate Mendenhall from the Foo Fighters at a hotel in Des Moines (lie).*

HSA = Health Savings Account

If you want to be financially fit in 2018, it might be time to think about a Health Savings Account (HSA).

HSAs are available to individuals enrolled in a High Deductible Health Plan (HDHP). This account allows for folks to save, tax-free, for current and/or future medical expenses. Funds contributed to the account are not subject to federal income tax, and unspent funds roll over and accumulate year to year. If you wish, funds can be accessed by the use of a free HSA debit card. For more information or to open an HSA, stop by either branch or give us a call.
