Save Now For Winter Holidays

As you soak up the warm summer sun and sip lemonade in your shorts and T-shirt, thoughts of snow and holiday sweaters couldn't be further from your mind. Now is the time to ease into the winter season by opening a Christmas Club Savings Account. This spiffy account allows for a simple and safe way for you to stash away cash, all while earning a little interest to boot. Automatic transfers let you set your own contribution schedule - making saving mindless. There is no cost for this account, but there is a \$5 fee for every early withdrawal.

So take a moment out of your warm summer days and open a Christmas Club Savings Account and reap the benefits of a less stressful holiday season this winter!

Just think, if you deposit \$20 a week starting the beginning of July, you'll have saved over \$350 come November 1st, which is when funds are automatically transferred to your regular savings account!

Fun Fact

The average amount withdrawn from an ATM is \$80.
