**Going
virtual!**

ANNUAL MEETING UPDATE

Despite wanting and hoping to hold our Annual Meeting in person this year, we have made the decision to have it virtually again. We fully understand this is not ideal, nor fun, but we feel it's the best choice with the current uptick in positive Covid-19 cases. Our priority is keeping you, our members and staff as safe as possible.

On a positive note, we've done this once before, so we've got this. We will do our best to keep it short and sweet while providing you all the details on how your favorite credit union is doing.

Two truths and a lie? I went to school to be a vet, I've never broken a bone, and I used to teach dance class (lie).
