

The Many Ways to Access Your Accounts

Do you know ALL the ways MCCU members can access their accounts both remotely and in-person? If not, grab your phone, tablet or computer, and refresh yourself on the multiple ways we can meet your needs.

Online and Mobile Banking are your primary on-the-go services allowing you to bank from virtually anywhere, anytime. Check balances, pending transactions, apply for a loan, make a mobile deposit using the app and MORE. These tools put your MCCU account at your fingertips when it's most convenient to you.

Register your mobile phone number in eBranch by doing the following. Click **Self Service > Preferences** and select **Registered Mobile Alert Number*** and enter/update your cell number, finish by clicking the **Update Mobile** button. Now you can text the list of commands on the right to 319-519-4169 for instant access to your accounts.

We also welcome in-person visits, stop by your preferred branch during the week between 9am and 5pm or Saturday 9am to noon. If utilizing our drive-thrus is more your jam, swing by anytime 8am to 5:30pm, Monday through Thursday or til 6pm on Fridays. Otherwise our drive-thrus are open Saturday 8am to Noon, too!

In some way, shape and form there is a way for you to reach us, choose whatever works best for you.

Fun Fact

Over 170 different currencies are used around the world today.

Holidays are over, now what?

If you found it challenging to pay for all the Christmas things last year, plan ahead with a Christmas Club Savings account. Start saving a little each week now and see how much you'll end up with. Even just \$10 a week will leave you with OVER \$300 when funds are automatically transferred to your primary savings account on November 1st!

Maybe you just need a little breathing room and skipping a loan payment will help you get back on track. Members with a minimum of six monthly payments made, with accounts in good standing are eligible to skip up to 2 loan payments per calendar year, just NOT consecutively in a row. A small processing fee of \$30 is added to the loan for each skipped payment. Visit the link below to fill out the Skip-A-Payment form online or for additional info.
