Congratulations to Zachery, our 2022 Scholarship recipient. He is headed to Mount Mercy University to major in criminal justice.

Hip, Hip, Hooray!

Kudos to Morgan, our Consumer Loan Manager. She received the Governor's Volunteer Award last month. She has actively participated in Big Brothers Big Sisters of Muscatine County as a Big for 6 years and counting. We support all forms of volunteering and encourage our staff in doing so.

Mobile App Updated

After months of rigorous testing and tweaking, we released a mobile app update just weeks ago. We hope you find the added features and enhancements useful, which include mobile alert access, quick links to submit stop pay requests, travel notices, and more. We strive to continue to improve how we serve you and understand the importance having easy access to your accounts.

A popular feature in our mobile app is the remote deposit check option, also referred to as RDC. This requires you to take a photo of the check using your phone's camera so you will unfortunately not find this available on the desktop version of online banking.

TIP - Be sure you endorse the check properly. Sign your name and write "For remote deposit at MCCU only" underneath your signature. A message will pop up reminding you when using this option.
